

## Board Level Components

**CML Microcircuits** [www.cmlmicro.com](http://www.cmlmicro.com)  
IC's for licensed & unlicensed wireless voice & data. Xmit, rcv, mod, demod IC's; Baseband & radio processors; amplifiers, CODEC's, wireline IC's; modem IC's; VHF and AIS IC's

**Filtronetics** [www.filtro.net](http://www.filtro.net)  
Standard and custom RF filters. Oscillators. ITAR-registered.

**GaN Systems** [www.gansystems.com](http://www.gansystems.com)  
GaN power transistors (100V, 650V)

**Johanson** [www.johanson-caps.com](http://www.johanson-caps.com)

JDI: ceramic caps. SMT/leaded, Hi Volt/Hi Temp, Low Ind, X2Y/filtering  
JTI: High freq ceramics. High-Q, MLC, chip & wire-wound inductors, chip antennas, baluns, filters, couplers. ITAR-registered

**Panasonic** [na.industrial.panasonic.com](http://na.industrial.panasonic.com)  
Capacitors, connectors, switches, encoders/potentiometers, inductors/coils, mechanical and semiconductor relays, optocouplers, thermal interface materials, wireless modules (BT, BLE, Mesh, Wifi), sensors

**Pletronics** [www.pletronics.com](http://www.pletronics.com)  
Crystals, Oscillators, (VC)TCXO's, GPS Modules, OCXO's and Mini Ovens; includes Cardinal and Isotemp brands

**Taiwan Semi** [www.taiwansemi.com](http://www.taiwansemi.com)  
Power IC's: rectifiers, diodes, MOSFET's, transistors, Hall Effect sensors, IGBT's, LED drivers

## Electro-Mechanical/Connectivity

**ContactClip** <https://contactclipinc.com/>  
Terminal blocks and accessories; Cable management solutions (glands, entries, seals, conduit); exclusive N.A. distributor for Wiska and Pflitsch

**Intel Si Photonics** [www.intel.com](http://www.intel.com)  
100G, 400G, 800G optical transceivers for SR, MR and LR applications

**Quell** [www.quell.us](http://www.quell.us)  
EESeal® connector inserts for EMI/RFI and transient protection. 24-hr proto and 2-wk production lead times. ITAR-registered

**SV Microwave** [www.svmicro.com](http://www.svmicro.com)  
RF connectors/components – Blind mate, high frequency, high reliability, high performance. Instrumentation, Mil/Space Semi-rigid & low-loss assemblies. Custom connector solutions. ITAR-registered.

**Teledyne Reynolds** [www.teledynedefenseelectronics.com](http://www.teledynedefenseelectronics.com)  
High voltage wire, cable, connectors and cable assemblies. Mica capacitors, spark gaps. High voltage hermetic connectors and custom interconnects.

**Topflite Components** [www.topflitecomponents.com](http://www.topflitecomponents.com)  
Connectors for rugged applications. D-Sub, push-pull, micro-miniature, PCB mount, Micro-D, circular, hermetic, filter, back shells, mold/shrink boot, customs

## System Solutions

**AValue** [www.avalu.com.tw](http://www.avalu.com.tw)  
SBC's, Computer modules, Motherboards. Industrial computer systems, Rackmount, Panel mount, Medical, Tablet, POS

**Integra Enclosures** [www.integraenclosures.com](http://www.integraenclosures.com)  
Domestic manufacturer of NEMA-rated enclosures. Polycarbonate & metal. Standard, custom and value-add

**New England Keyboard** [www.newenglandkeyboard.com](http://www.newenglandkeyboard.com)  
Keyboards, silicone rubber keypads, key panels/assemblies, membrane switches, displays, touch panels, molded plastics, cast metal components. ITAR-registered

**TDK-Lambda** [www.us.lambda.tdk.com](http://www.us.lambda.tdk.com)  
AC/DC supplies; Open frame/encased, modular, programmable, DIN rail, PCB mount; DC/DC isolated/non-isolated

**Virtium** [www.virtium.com](http://www.virtium.com)  
Extended temp and extended life Solid state drives (SSD's) and memory modules. ITAR-registered
